NOTICE.

Owing to the large number of applications received from candidates to join the Sanitary Inspectors' and Vaccinators' classes it is not possible to acknowledge receipt of all the applications. But each candidate will have as soon as possible an intimation regarding the starting of the classes, addressed to him personally, and as to whether or not his application has been entertained for admission, as the numbers must unfortunately be limited.

G. S. DAVID,
For *Sanitary Commissioner.*

MYSORE DIVISION.

The 17th April 1908.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to 9th May 1908 for improving the Bheriya tank, Registered No. 5, Yedatore Taluk. For other particulars see *Mysore Gazette* No. 17, dated 23rd April 1908

WATER-SUPPLY AND STORES DIVISION.

Dated 28th April 1908.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply and Stores Division, up to 15th May 1908, for (1) constructing motor and pump house and foundations to motor and pumps, (2) constructing Chief Operator's and Operator's quarters and (3) dismantling the existing Driver's quarters at Belagola, Seringapatam Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. Chief Operator's and Operator's quarters should be completed by the end of August 1908, and other works by the end of October 1908.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 300 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for constructing motor and pump house, etc., at Belagola, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.
